

How Power and Context Impact How We Experience Identity

Target + Agent Identities | Dominant + Non-Dominant Identities

YOUR IDENTITIES

Target Identities: Experience marginality, outsider status

Agent Identities: Experience access to resources, power, insider status

We All Have Target AND Agent Identities Because of Social Constructions

How Do We Notice + Feel Our Identities Differently Amongst Different Constellations of People?

- ◆ **Dominant** → my identity group created the culture, it was made my people like me, for people like me, with people like me in mind
- ◆ **Non-Dominant** → my identity group did not create the culture by/for/with me in mind
