

## **NOW IS THE TIME**

To Take Action ahead of the UN Climate Summit in Glasgow Oct. 31- Nov. 12

# **PEOPLE — VS. — FOSSIL FUELS**

*October 11 to 15, thousands of people will take action at the White House, participate in civil disobedience, and demand that President Biden choose a side: People vs. Fossil Fuels*

### **Follow Two Act for the Earth (AFE) Representatives at this Action**

Two people from the Act for the Earth team, Claire Cooke and Jean Hammink, are on a pilgrimage to DC where they have joined over a thousand others from across the nation to risk arrest, calling for an end to the fossil fuel era, as a part of the indigenous lead [People vs Fossil Fuels](#) action (following line 3 and preceding the UN Glasgow climate talks).

Claire and Jean are calling on us all to join them in this pivotal moment. You can keep up with the DC delegates through their [daily emails](#) or [Facebook](#).

### **Join the On the Ground Report Back Call - Tuesday, Oct. 12, 7:30 pm -**

**Online** - Tune in to hear a front line report on the DC action from Minnesota clergy and faith leaders, including Claire and / or Jean on their experience in DC. This inspiring, in-the-moment report back will let you know what's happening at the heart of the movement nationwide. [Click here to register](#).

### **Multi-Faith Prayer Gathering Monday, Oct. 18, 12:00 pm - Minneapolis**

Following the week of action at the White House, please join us in "Faiths 4 Climate Justice," targeting world leaders to stop fossil fuels ahead of the Glasgow UN Climate Talks. MN Interfaith Power and Light (MNIPL) is hosting a prayer gathering for federal climate action. Gather with others at noon at the entrance to the Federal Building in downtown Minneapolis where song, prayer, meditation, and silence will be shared. Afterwards, we'll gather for lunch at a nearby park across the Stone Arch Bridge. [Click here to register.](#)

**Sign-on to the Multi-Faith LETTER to World Leaders at Glasgow UN Climate Talks** - As global leaders meet at the UN Climate Summit in Glasgow in November 2021, we urge our leaders to commit to bold climate action - and follow it up with action. We are calling our leaders to do the following:

- Negotiate for the strongest global commitments for emissions reductions at the UN Climate Summit in Glasgow, Scotland
- Support significant investments in clean energy and clean transportation
- Make clear plans to phase out the use of fossil fuels and an end to new fossil fuel projects
- Financially support countries that have borne the brunt of climate impacts
