POSTLUDE

Jacob and his mom lived in Minneapolis for the first four years of his life, then moved to Saint Paul where he attended Groveland Elementary, Highland Park Middle School, and was a 2021 Central High School graduate. He was very athletic and played football all four years of high school; on the off season you could find him at school lifting weights in the weight room or hanging with his friends. Even as a young child he played peewee football and tried his hand at every other sport out there too – hockey, basketball soccer, floor hockey, futsal, baseball, and swimming. He loved hanging with his friends and shooting hoops.

Jacob always knew he didn’t want a “desk job” and wanted to go into a trade but wasn’t sure which one to pick. He had plans to attend MCTC and try out some classes for the HVAC program. He was a lover of strawberry shakes; food was the way to his heart. He screamed like a girl whenever he saw a spider. He hated bugs. He liked video games and music and had an infectious smile. He was a great brother to Benjamin. He chose the names for both his brother and future sister. He would never change a diaper but he would happily play with Ben anytime. He loved his younger cousins and was so good to them all. He was a cherished son, grandson, brother, nephew, cousin, and friend. He will forever and ever be missed.

After the service please go to the Parish Hall, where the family invites you to write a message on a memorial rock. This can be a word, your name, a thought, a wish, a prayer, or anything that comes to your heart when you think of Jacob. These rocks will be placed in a memorial garden created in his memory.
