This Week in Religious Education

Spirit Play (ages 3-6): Children enter into the seasonal promise of life and transformation that comes with spring. How does a caterpillar transform into a butterfly? When does it know to change or come out of the chrysalis? Which changes more, a caterpillar or a child? Please wonder together with your children about their sacred play.

Rotations (grades 1-6): Children begin with worship in Ames Chapel (9:00/4:30) or in the Sanctuary (11:00). Then in classrooms downstairs, they continue with their unit on "Beloved Community" wherein every individual both brings to and takes from the community something unique and valuable. We discover that we are more together than we are separate.

Junior High (grades 6-8): Classes continue today with three courses offered this semester: Introduction to Islam, Building the Beloved Community, and Jesus and the Prophetic Imagination. Youth conclude each class with worship in Ames Chapel.

Our Whole Lives meets March 11 with topic "Lovemaking is more than Sex." OWL is a sexuality and spirituality program for grades 8-9.

Coming of Age meets today from 2:15-4:15 p.m. for family covenanting. COA is our signature spiritual growth program typically for 9th graders.

Tower Club youth meet at 6:00 p.m. tonight to reflect on practices of holding one another close. Tower Club is a gathering place for 10th-12th graders to enjoy community and share life at the intersection between the world and faith.
