

Unity Church -Unitarian Nut Policy

Because Unity Church values the inherent worthiness and dignity of every person, Unity Church is committed to creating an environment where all are welcome and safe. Please take note of the following practices:

For church-sponsored events where food is prepared and served: We recognize that nuts and nut products can have life-threatening consequences. Unity Church staff will ensure that all recipes produced in our kitchen for church-sponsored events* will not contain nuts or nut products. In addition, we will provide a list of ingredients to enable those with allergies to make their own decisions about their food choices.

For church-sponsored groups whose members bring food into the church for a potluck, snacks, etc.: Church staff will ask the staff liaison to communicate to their members the seriousness of nut allergies and to ask their members to consider bringing dishes and snacks which do not contain nuts or nut products. For larger events (i.e, potlucks) the staff liaison will ask members to voluntarily provide a list of ingredients to accompany their dishes.

For renters and outside groups using Unity's kitchen: We will inform all renters of the dangers of nut allergies but will not require a list of ingredients or that they attempt to ensure the kitchen is nut-free.

Thank you in advance for your willingness to ensure the safety of all.

*Church sponsored events may include Wellspring Wednesday dinners, pancake breakfasts, Tower Club lunches, Heritage Society dinner, and other all-church meals.
